**10-11. February, 2014 – Project event – Professional project meeting**

The Regional Psychiatric Hospital of Beregovo, Ukraine (Partner2) is going to organise a project meeting in the frame of project titled '**Cross-border cooperation to prevent and manage emergency psychiatric crisis situations**' financed from the ENPI CBC Programme Hungary-Slovakia-Romania-Ukraine 2007-2013.

Exact date and venue: 10-11. February, 2014; Uzghorod, pl. Teatralna, 6. (Medical Center)

**Any further details:** See Annex I.

Contact details: The event is not open for the general public

## **Meeting's description**

The meeting's aim is to analyse the situation of emergency psychiatric care system in each of the 3 regions involved in the project and to align the common actions of the professional teams. The importance of a valid protocol used in psychiatric crises will be discussed. During the meeting we also intend to simulate a crisis situation in order to assess the critical issues of the intervention's process.
